9. Read the following poem and answer the questions that follow

*There are only white women around
Awful fakes of white females
Reflecting an awful mass of ugliness
And I want a lady
To mount the rostrum with
And announce to the world
"Black is Beautiful"*

Yes,

*I want a black beauty queen
With ebony thighs and huge hips
With skin seating blackness
And face dark as the night
And bare breasts bowling
Vigur and energy.*

*I cry and sing to them
The inbred tune of our people
I shout to them in the black tongue
But no black sister hears me;
Only whole masks I see
I turn and weep upon myself
And then, only then I realize
I am not black either*
